Policy Statement

I. Preamble

The Academic Senate is a representative body, formed from the General Faculty of The University of Texas at Dallas, in which faculty develop their concerns and proposals in exercising their major roles in faculty governance. The Academic Senate is aided in its work by the Academic Council, a smaller body formed from the Academic Senate which meets regularly with the President and Executive Vice President and Provost (Provost) and by the Faculty Committees. As the regular primary faculty governance body, the Academic Senate is expected to coordinate faculty exercise of faculty governance responsibilities in the interests of academic excellence at The University of Texas at Dallas.

II. Authority

These Bylaws supplement UTDPP1088 - Faculty Governance of the Handbook of Operating Procedures of The University of Texas at Dallas. Nothing in these Bylaws shall be construed to conflict with the Handbook of Operating Procedures, the Rules and Regulations of the Board of Regents of The University of Texas System, or state law.

III. Organization

1. Membership in the Academic Senate
   1. Only members of the Voting Faculty are eligible for membership in the Academic Senate. Members of the Voting faculty are limited to the following, as defined in UTDPP 1088, Section I.B.1.a:
      1. Faculty appointed half-time or more to The University of Texas at Dallas who hold the rank of Regental Professor, Professor, Associate Professor, or Assistant Professor.
      2. Faculty appointed half-time or more to The University of Texas at Dallas who hold the rank of Instructor.
      3. Faculty appointed full-time to The University of Texas at Dallas who hold the rank of Clinical Professor, Clinical Associate Professor, Clinical Assistant Professor, or Senior Lecturer 1, 2, or 3
   2. As specified in UTDPP1088, Sec. II.B.1, “The elected members of the Academic Senate shall consist of no fewer than twenty-three and no more than fifty-one voting members of the General Faculty, with intermediate numbers computed so as to be as close to 10% of the voting membership of the General
Faculty as possible.” Based on the current size of the General Faculty and projected growth, the number of Senators will be 51.

3. Each School in the University shall be represented in the Senate.

4. A minimum of 50% of Senate positions shall be held by tenure-system faculty and a minimum of 10% of Senate positions shall be held by non-tenure-system faculty.

5. All members elected or appointed to the Academic Senate according to these Bylaws, and only those members, shall be voting members of the Academic Senate.

6. Non-voting participants
   1. The President and Vice President of the Student Government Association, or their assignees, shall be invited to attend meetings of the Academic Senate as non-voting participants, except when the Academic Senate is in executive session.
   2. The Chair of the Staff Council shall be invited to attend the Academic Senate meetings as a non-voting participant, except when the Academic Senate is in executive session.

2. Elections for Academic Senate
   1. The Secretary of the Faculty shall be in charge of the election, although he or she may designate other faculty and staff members to assist.
   2. The nomination and election procedures, including a calendar, shall be distributed no later than February 1. Nomination and election procedures may be online or may utilize paper petitions and ballots. The election procedures, beginning with the nomination process and ending with election of a Speaker of the Faculty-Elect and Secretary of the Faculty-Elect, shall begin no later than March 15 and end no later than April 14. At least two weeks shall be allowed for submission of Academic Senate nominating petitions, and one week for ballots in the Academic Senate election.
   3. Nominating petitions are collected by the Office of Academic Governance. For an individual to be placed on the election ballot, two nominating petitions must be submitted on his or her behalf. Any member of the Voting Faculty may submit a nominating petition for any other member of the Voting Faculty, or for himself or herself. No one may submit more than two nominating petitions, and no one may submit more than one nominating petition for any one individual.
   4. The Secretary of the Faculty shall ascertain the willingness of each nominee to serve if elected. The names of those who do not wish to serve will not be placed on the ballot.
   5. If the number of nominees is below 23 (the minimum number of Senate positions as specified in UTDPP1088, Sec. II.B.1), the nominating period shall be extended, and the Secretary of the Faculty shall make additional efforts to encourage nominations.
   6. If the number of nominees exceeds the minimum of 23, but does not exceed the maximum of 51, all nominees shall be deemed elected, and there shall be no formal election.
   7. The Secretary of the Faculty shall make ballots available by the date designated in the election calendar.
8. Ballots shall be secret and must be submitted in accordance with the election procedures to be valid.

9. Each member of the Voting Faculty may vote for as many five nominees and will indicate his or her first choice, second choice, and so on to a maximum of five. All such votes shall be counted, and the order of choice will only be used for tie-breaking.

10. As explained in III.A.2 above, based on the current size of the General Faculty and projected growth, the number of Senators will be 51. To ensure that 1) all schools are represented (III.A.3 above), 2) at least 50% of Senate positions are allocated to tenure-system faculty (III.A.4 above), and 3) at least 10% of Senate positions are allocated to non-tenure system faculty (III.A.4 above), the following procedures shall be used to determine the results of the election.
   1. The number of Senate positions will be multiplied by 50%, rounded upward if necessary. That number of positions will be allocated to the top tenure-system vote recipients. Thus, based on 51 Senate positions, the top 26 tenure system vote recipients will be deemed elected. Ties will be broken by counting the number of “first choices” received. If there is still a tie, the number of “second choices” will be counted, and so on.
   2. The number of Senate positions will be multiplied by 10%, rounded upward if necessary. That number of positions will be allocated to the top non-tenure-system vote recipients. Based on 51 Senate positions, the top 6 non-tenure-system vote recipients will be deemed elected. Ties will be broken by counting the number of “first choices” received. If there is still a tie, the number of “second choices” will be counted, and so on.
   3. If any School within the University is not represented in 1 and 2 above, the top vote recipient from that school will be deemed elected.
   4. To fill the remaining positions, all remaining nominees, whether tenure-system or non-tenure system, will be pooled and ranked by number of votes received. Ties will be broken by counting the number of “first choices” received. If there is still a tie, the number of “second choices” will be counted, and so on.
   5. If there are fewer nominees in either of the two faculty categories (tenure system and non-tenure system) than the number of Senate positions calculated by the 50% or 10% factor, respectively, all nominees in that category will be deemed elected and the minimum percentage will not apply.

11. The Secretary of the Faculty shall notify successful candidates of their election and of the date of the Senate-Elect Caucus, and shall notify the General Faculty of the election results.

3. Vacancies and Appointments
   1. If a member of the Academic Senate resigns his or her seat or leaves The University of Texas at Dallas for a period expected to exceed four months, that seat shall be filled by the unelected candidate who received the most votes in the prior election, bearing in mind the minimum number of required tenure-system, non-tenure-system, and school faculty for Academic Senate.
2. If enough seats are vacated such that the original nomination list is exhausted, the Academic Senate shall fill vacancies by majority vote of all members of the Academic Senate.

3. In the event a sitting member of the Academic Senate is appointed to the position of Dean, that individual is no longer eligible for Academic Senate membership. That seat will be vacated, and the Academic Senate shall fill the vacancy in accordance with III.C.1 and III.C.2 above.

4. If a member of the Academic Senate misses two consecutive Senate meetings, the Senator will be contacted by the Secretary of the Faculty to ascertain whether he or she still wishes to serve. If not, the Senator will be immediately replaced by the procedures of Sections III.C.1 and III.C.2 above.

5. If a member of the Academic Senate misses three meetings during September-May, the Academic Senate may, by a majority vote of those present, declare the seat vacant. The seat will then be filled by the procedures of Section III.C.1 and III.C.2 above.
