**Alcoholic Beverages Policy - UTDBP3011**

The use or consumption of alcoholic beverages is prohibited on property and in buildings* owned or controlled by The University of Texas System or any of the institutions. However, the Chancellor of the U.T. System or the president of an institution may waive this prohibition with respect to any event sponsored by the U.T. System or any of the institutions. (Regents Rule 80102)

*This includes, but is not limited to, classroom buildings, laboratories, auditoriums, libraries, museums, faculty and administrative offices, intercollegiate and intramural athletic facilities, and all other University property or buildings.

An event is sponsored if a budgeted office, department, or division of the U.T. System or any of the institutions is responsible for organizing the event, inviting attendees, and paying expenses related to the event, except that such an event is considered to be sponsored even if an outside entity pays for the food and beverages at the event. (Regents Rule 80102)

Meetings or events organized and presented by registered faculty, staff, or student organizations are not events sponsored by the U.T. System or any of the institutions. (Regents Rule 80102)

State law relating to alcoholic beverages will be strictly enforced at all times on property and in buildings owned or controlled by the University of Texas System or any of the institutions. (Regents Rule 80102)

**Host Liquor Liability:** Required when a department "hosts" an event, purchases alcohol and has a licensed TABC server serve the alcohol to guests free of charge. This coverage is available through the University's TULIP program and provides general liability insurance limits of $1M per occurrence and $2M in aggregate.

**Liquor Liability:** Required when a department pays a catering service for the alcohol and that catering service uses a licensed TABC server. General liability limits of $1M per occurrence and $2M in aggregate are required.

The Certificate of Insurance must list the following entities as additional insureds:

1. The Board of Regents of The University of Texas System;

3. The University of Texas at Dallas.

**Homeowner's Liability Insurance:** If an event involving alcohol is approved to take place at a private home, the homeowner is liable for any injury or property damage that could be sustained.

**Alcohol Served by TABC license holder**

All alcohol served on UTD property at University sponsored events must be served by a TABC license holder. The TABC license holder may be a student, staff member, faculty member or a caterer.

If a student, staff member or faculty member serves the alcohol, then host liquor liability insurance must be provided by the TABC license holder or purchased through the TULIP insurance program.

If a caterer serves the alcohol, then liquor liability insurance must be provided by the caterer.

**Alcohol purchased by Department and served on UTD campus**

Alcohol may be purchased by a department and served by a TABC license holder with host liquor liability insurance.

**Alcohol Inventory**

Departments are strongly discouraged from storing unopened bottles of alcohol to be used at
future events. The appropriate Dean or Vice President must provide approval for alcohol storage and is responsible for the method and manner of storage of the alcohol.

See Alcohol Inventory Guidelines for more information: Special Events Risk Assessment - Office of Legal Affairs

Any opened bottles of alcohol left over from an on-campus event must be disposed of after the event and not removed from UTD property.

Alcohol served at an off-campus event

All University sponsored events involving alcohol service at a restaurant, private residence or other facility for an off-campus event must be approved by the President's office through the SERA form process.

Proof of insurance is not required for alcohol consumed at a restaurant or other off-campus facility.

If alcohol is served at a private residence, the host's renters or homeowner's insurance may be considered as primary in case of a claim for personal injury or property damage, or any other related reason. If the host does not have renters or homeowner's insurance, then the host may be held personally liable in the case of a claim.

The host is not required to hire a bartender or caterer to serve alcohol at their home.

documentation from the donor.

Alcoholic beverages are considered to be donated if they are acquired via non-University funding sources, i.e., alumni groups, vendors, individuals, etc. and the purchaser is not subsequently reimbursed.

**Alcohol served with food**

Food, as defined in this policy, may consist of nuts, crackers, chocolate, cookies, or similar snack items, and need not consist of a full course meal. Food must be served at all events that include alcohol. Exceptions can be made by the Office of the President.
