Section A. General Provisions

Subsection 1: Purpose

1. Pursuant to the Regents Rules, the University of Texas at Dallas (UT Dallas) has developed its policy regarding student conduct and discipline in accordance with The University of Texas System (UT System) model policy. Each student is charged with notice and knowledge of and compliance with the contents and provisions thereof. Reporting to the Dean of Students, the Office of Community Standards and Conduct seeks to support the mission of The University of Texas at Dallas by promoting integrity, civility, and community on campus. Recognizing that students make mistakes, we strive to help them acknowledge their personal responsibilities as members of the University community through fairly and consistently upholding the Student Code of Conduct. By doing so, we help bring student actions into congruence with the expectations set forth by the University while challenging them to demonstrate ethical decision making and personal integrity.

2. As members of the UT Dallas community, all students are expected to uphold the Comet Creed: As a Comet, I pledge honesty, integrity, and service in all that I do. Additionally, students are required to obey federal, state, and local laws and to comply with UT System and University rules and regulations.

3. The conduct review process is an administrative process and meant to be educational in nature. This process is separate from and may be carried out prior to, simultaneously with, or following civil or criminal proceedings. Outcomes including finding of responsibility and sanctions shall not be subject to change because of criminal or civil outcomes.

Subsection 2: Scope

1. This policy applies to student organizations as well as individual students. Student organizations are accountable for the conduct and actions of their members.

2. An individual who is not currently enrolled as a University student remains subject to the disciplinary process for conduct that occurred while a student. Each student shall be responsible for their conduct from the time of application for admission through the actual awarding of a degree even when the conduct occurs prior to the beginning of classes and in between semesters. This includes conduct that is discovered after the awarding of a degree.

3. A student is accountable for conduct that occurs on or off campus. University officials will review off-campus conduct pursuant to this policy. Factors considered in determining when to initiate a formal investigation for off campus conduct include, but are not limited to, whether the conduct impairs, interferes with, or obstructs any institutional activity or the mission, processes, and functions of the institution and whether the conduct adversely affects University interests.

In either case, the Dean will notify other appropriate University officials as necessary and as permitted by law.

Section B. Administration of Discipline

Subsection 5: Dean of Students
1. The Dean has primary authority and responsibility for the administration of student discipline.

2. It shall be the Dean's responsibility to investigate allegations that a student has violated a Regents' Rule, University rule, or any provision of federal, state, and/or local laws, with the exception of the Sexual Misconduct Policy [UTDBP3102] and some cases of discrimination [UTDBP3090].

3. In carrying out these responsibilities, the Dean works cooperatively with academic administrators and faculty members in the disposition of academic dishonesty and with staff members in Residential Life in the disposition of campus housing violations. The Dean may seek, as needed, additional information from individuals who have expertise relative to cases, especially in instances of academic dishonesty involving technical material, projects, or assignments.

Subsection 6: Faculty Role in Academic Violations

1. Judgments of academic dishonesty are distinguished from academic judgments concerning whether a student has or has not completed an assignment as required. The former involve considerations of misconduct and sanctioning and are the responsibility of the Dean.

2. Under authority delegated by the Dean, a faculty member who has reason to suspect that a student has engaged in academic dishonesty may conduct a conference with the student in compliance with the following procedures:
   1. the student may be informed that they are believed to have committed an act or acts of academic dishonesty in violation of the Student Code of Conduct;
   2. the student may be presented with any information in the knowledge or possession of the instructor which tends to support the allegation(s) of academic dishonesty;
   3. the student will be given an opportunity to present information on their behalf;
   4. after meeting with the student, the faculty member may:
      1. choose not to refer the allegation(s) if it is determined that the allegation(s) are not supported by the evidence; or,
      2. refer the allegation(s) to the Dean on the electronic referral form and attach all supporting documentation of the alleged violation. The faculty member is given the opportunity to suggest a recommended sanction or remedy to be applied on the electronic referral form; however, final sanction decisions are made by the Dean of Students or Hearing Panel Chair/Hearing Officer that are appropriate for the circumstances;
   5. the faculty member must not impose any independent sanctions upon the student in lieu of a referral to the Dean.
   6. It is important that referrals are submitted within a reasonable time period; generally within one week after the alleged incident.

3. If the faculty member chooses not to meet with the student, they must forward the appropriate documentation to the Dean. The faculty member is encouraged to inform the student of the allegation(s) and notify the student that the information has been forwarded to the Dean for investigation.

4. Upon receipt of the referral form and supporting material/documentation from the faculty member, the Dean shall proceed under Section E. If the student is found in violation of the Student Code of Conduct, the Dean or Hearing Panel/Hearing Officer will review the student's prior disciplinary record and assess sanctions appropriate to the circumstances. The Dean will inform the student and the faculty member of the decision.

5. If a student withdraws from a course and is ultimately found responsible for academic dishonesty, a grade sanction (ie. "F" or lowered grade) in the course that is assessed by the Dean or Hearing Panel/Hearing Officer will replace any withdrawal notation on the transcript.

6. Pending disciplinary action, the student remains responsible for all academic exercises and syllabus requirements. The student may remain in class if the student's presence in the class does not interfere with the professor's ability to teach the class or the ability of other class members to learn. (See Subsection 7 for additional information regarding the removal of a student from class).

Subsection 7: Faculty Role in Removal for Misconduct

1. Primary responsibility for managing the classroom environment rests with the faculty. Misconduct reported
by faculty will usually involve disruptive behavior in class or in relation to a class. Under authority delegated by the Dean, a faculty member who has reason to believe that a student has engaged in disruptive behavior may do one of the following:

1. If the disruptive behavior was directly witnessed by the faculty member or if the faculty member has clear documentary evidence, the case should be referred directly to the Dean with the reasons and/or evidence for the charge and a recommendation for resolution. The Dean shall proceed under Section E; or

2. If the disruptive behavior was not directly witnessed by the faculty member but was witnessed or reported by students or others, the faculty member may meet with the student(s) involved and discuss the alleged violation and the evidence that supports the allegation. Such meetings should be documented to the greatest extent possible. After such meeting or meetings, the faculty member may refer the allegation(s) with the assembled documentation to the Dean with a recommendation for resolution, or choose not to refer the allegations to the Dean if the faculty member concludes that they are not supported by the evidence.

3. If the faculty member considers the behavior of the student menacing or threatening, they may request the Dean remove the student from the class with immediate effect until the matter is formally resolved. This request will be considered, pending review of the information regarding the incident(s).

2. Students who engage in any acts that result in disruption of a class may be directed by the faculty member to leave the class for the remainder of the class period. This provision is not designed to be used as a means to admonish classroom dissent. The expression of a disagreement with the instructor is not in itself disruptive behavior.

3. A student who repeatedly engages in disruptive classroom behavior shall be referred by the faculty member to the Dean who will proceed under the provisions of Section E.

4. A student will not be removed permanently from the classroom without review by the Dean.

Subsection 8: Staff Role in Removal for Misconduct

1. A member of the University staff who has been subject to or has witnessed conduct that is prohibited by the Student Code of Conduct may do either of the following:
   1. Call the campus police to determine next steps for the offending person. The police will report the matter to the Dean. The Dean shall proceed under Section E; or
   2. Report the matter to their supervisor and the Dean of Students by completing the misconduct referral form which can be found on the Dean's website. The report should include the staff person's written account of the incident and any additional documentation that might be available. The Dean shall proceed under Section E;

2. If the misconduct or disruptive behavior was not directly witnessed by the staff person but was witnessed or reported by students or others, the staff person should inform their supervisor and refer the matter and the witnesses to the Dean. The Dean shall proceed under Section E.

Section C. Student Standards of Conduct

Subsection 9: Code of Conduct

1. The University of Texas at Dallas has rules and regulations for the orderly and efficient conduct of their business, and each student is accountable for knowledge of and compliance with the Student Code of Conduct and other University policies.

2. Because the value of an academic degree depends on the absolute honesty, integrity, and character of the student, the University expects all students to maintain a high level of responsibility with respect to their behavior. As a member of the University community, it is imperative that a student maintain a high standard of individual responsibility and civility.

3. The Dean may initiate disciplinary proceedings under Section E against a student accused of a violation of the Code of Conduct upon complaint by a faculty member, staff member, student, or other source.

Hazing is defined by Texas State law (Texas Education Code, Chapter 37: Subchapter F: Hazing) as: "any intentional, knowing, or reckless act, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization if the act:

1. is any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity;
2. involves sleep deprivation, exposure to the elements, confinement in a small space, calisthenics (exercise), or other similar activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
3. involves consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance, other than as described in number five below, that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
4. any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code;
5. or involves coercing, as defined by Section 1.07, of the Texas Penal Code, a student to consume:
   1. a drug;
   2. or an alcoholic beverage or liquor in an amount that would lead a reasonable person to believe that the student is intoxicated, as defined by Section 49.01, Texas Penal Code.

The above includes hazing that is with or without the consent of participants. The University charges each student with notice and knowledge of full Texas State laws regarding hazing which can be found in Texas Statute Title 2, Subtitle G, Chapter 37, Subchapter F. Any person with knowledge that a specific hazing incident has occurred on or off campus must immediately report the incident to the Dean.

Subsection 11: Immunity

   2. as determined by the dean of students or other appropriate official of the institution designated by the institution, cooperates in good faith throughout any institutional process regarding the incident."
2. Immunity extends to participation in any judicial proceeding resulting from the report.

3. A person is not immune if the person:
   1. reports the person's own act of hazing;
   2. reports an incident of hazing in bad faith or with malice”.

Section E. Disciplinary Proceedings and Disposition

If there is a more specific policy that specifies the proceedings for investigation, such as the Sexual Misconduct policy [UTDBP3102], that policy will govern; however, all the powers provided herein to the Dean for investigations involving student witnesses, including summons, interim disciplinary action, and withholding transcripts, grades, and degrees may be delegated to the investigator designated to that policy.

Subsection 12: Investigation

1. All allegations and information relating to a violation of this policy shall be given to the Dean.

2. Action under this policy may go forward regardless of other possible or pending administrative, civil, or criminal proceedings arising out of the same or other events.

3. The Dean shall investigate the alleged violation. The investigation shall include an attempt to confer with the accused student concerning the allegations. Following completion of the investigation, the Dean may:
   1. dismiss the allegation;
   2. proceed administratively under Subsection 13; or
   3. prepare a hearing notice based on the allegation and proceed under Subsection 14.

4. Pending a hearing or other disposition of allegations against a student, the Dean may take such immediate interim disciplinary action as is appropriate to the circumstances when such action is in the best interest of the institution. This includes but is not limited to a suspension and ban from the campus when it reasonably appears that the continuing presence of the student poses a potential danger to persons or property or where the student poses a potential threat for disrupting any activity authorized by the University. In the case of interim discipline involving a partial or full ban from campus or a prohibition from attending any course, a hearing will generally be held under the hearing procedures specified in Subsection 13-15 within ten (10) days after the interim disciplinary action was taken; however, if the Dean determines there is good cause, the 10-day period may be extended for a reasonable period.

5. Notwithstanding the above, the Dean may withhold the issuance of an official transcript, grade, diploma, certificate, or degree to a student alleged to have violated a rule or regulation of the System or the University that would reasonably allow the imposition of such sanction. The Dean may take such action pending a hearing, resolution by administrative disposition, and/or exhaustion of appellate rights if the Dean has provided the student an opportunity to give a preliminary response to the allegations and, in the opinion of the Dean, the best interests of the UT System or the University would be served by this action.

6. In cases involving a violation of the Sexual Misconduct Policy [UTDBP3102], the investigation will be conducted by the Title IX Coordinator or their designee.

Subsection 13: Administrative Disposition

1. In any case, except in a case finding a violation of the Sexual Misconduct Policy [UTDBP3102], where the accused student elects not to dispute the facts upon which the allegations are based, the student may execute a written waiver of the hearing procedures and accept the sanction(s) or reserve the right to appeal the sanction(s) as outlined in Section G.

2. In the event a student disputes the facts and/or allegations or at the discretion of the Dean, a hearing before a Hearing Panel or Hearing Officer may be arranged. In any case finding a violation of the Sexual Misconduct Policy [UTDBP3102], the case will proceed under Subsection 14 of this Policy unless both the accused and the accuser agree to the terms of the administrative disposition and thus waive the hearing and appeals.

Subsection 14: Hearing Panel/Hearing Officer

In those cases in which the respondent disputes the facts and/or allegations upon which the alleged conduct violations are based, or at the discretion of the Dean of Students, such allegations shall be heard and determined by a fair and impartial Hearing Officer or a Hearing Panel, consisting of an appropriate number of faculty, staff, and students drawn from the Discipline Committee. UT Dallas faculty serving on the Discipline Committee are appointed by the academic senate, staff are named through a selection process, and students are selected through an application process.

   2. Records developed in cases in which a lesser sanction has been imposed will be retained for a period of five (5) years after date of action unless sanctions or the Dean specify that they should be retained for a longer period. As appropriate and in accordance with the The Jeanne Clery Act, statistical information and required supporting documentation will be maintained for the time specified in the Act.
   3. A disciplinary record shall reflect the nature of the charge, the disposition of the charge, the sanction assessed and any other pertinent information. This disciplinary record shall be maintained by the Office of Community Standards and Conduct. It shall be treated as confidential, and shall not be accessible to or used by anyone other than the Dean or University officials with legitimate educational interests, except upon written authorization of the student or in accordance with applicable state or federal laws, court order, or subpoena.
   4. The academic transcript of a student suspended or expelled for disciplinary reasons shall be marked with the term "Suspended – ineligible to reenroll" or " Expelled – ineligible to reenroll" as appropriate. Students who are currently enrolled will be administratively withdrawn from all

Section F. Sanctions

Subsection 19: Sanctions

1. Sanctions that may be imposed include, but are not limited to:
   1. **Written warning:** The student will be notified that continuation or repetition of the specified conduct may be cause for further disciplinary action.
   2. **Developmental probation:** Requires a student or members of an organization to satisfy conditions related to the violation, which will explore alternative behaviors and encourage learning and development.
   3. **Educational sanction:** An educational sanction may include the requirement to complete or attend educational activities, seminars, programs, presentations, or any other learning experience deemed necessary.
   4. **Disciplinary probation:** Disciplinary probation identifies a specified period of time during which the student or organization is not in good standing and required to comply with terms and conditions that include not engaging in further conduct in violation of this policy. Any conduct in violation of these regulations while in a probationary status may result in the imposition of a sanction of suspension or expulsion or the removal of an organization's official registration.
   5. **Withholding of grades, official transcript, and/or degree:** May be imposed until all disciplinary processes are complete and sanctions, if any, are fulfilled. The Dean may take such action pending a hearing and/or exhaustion of appellate rights when in the Dean's opinion, the best interests of the UT System or the University would be served by this action.
   6. **Revocation of admission, cancellation of enrollment, and or withdrawal from one or more classes.**
   7. **Restitution or reimbursement:** Reimbursement for damage to or misappropriation of University or individual property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damages.
   8. **Suspension of rights and privileges:** A student or organization may have specific privileges removed or restricted as a way to learn from the consequences of their behavior. During the period of suspension, the student or organization may be prohibited from participation in athletic or extracurricular activities; taking part in a registered student organization's activities and attending its meetings or functions; denial of use or access to facilities, living in on-campus housing or representing the University in any way.
   9. **Grade modification:** Academic sanctions, including failing grades, may be given to a student for a course or assignment in which he or she was found responsible for academic dishonesty. If a student withdraws from a course in which disciplinary action is pending and is ultimately found responsible for academic dishonesty, the grade sanction ("F" in the course or lowered course grade), determined by the Discipline Committee or Hearing Officer will replace any withdrawal notation on the transcript.
   10. **Denial of degree.**
   11. **Community service hours:** A student may be required to complete a specified number of community service hours. Location must be approved by a staff member in the Office of Community Standards and Conduct.
   12. **Suspension:** Suspension from the University is for a specified amount of time and prohibits,
during the period of suspension, the student from entering the University campus, except in response to an official request. The student must comply with all conditions imposed prior to reenrollment. Suspension creates a notation on the student's academic transcript.

13. **Expulsion**: Permanent separation of the student from the University. Expulsion creates a notation on the student's academic transcript.

14. **Deferred suspension**: Suspension will be postponed, but will be automatic if the student or organization if found responsible for any additional rule violations while on deferred suspension.

15. **Revocation of degree**: May be imposed when the violation involves academic dishonesty or misconduct that is discovered after awarding of the degree.

16. **Other sanctions as deemed appropriate under the circumstances**.

2. No former student who has been suspended or expelled for disciplinary reasons from an institution of the UT System shall be permitted on the campus of any UT System institution during the period of such suspension or expulsion without the prior written approval of the chief student affairs administrator of the institution at which the suspended or expelled student wishes to be present.

### Section G. Appeals

#### Subsection 20: Procedures

1. If a student elects to not dispute the facts upon which the charges are based (as outlined in Subsection 13), the student may appeal only the sanction assessed.

2. Either party may appeal a decision and/or sanctions assessed by the Hearing Panel or Hearing Officer to the Vice President for Student Affairs or designee by following the procedures set forth in this section.

   1. The appealing party must submit their appeal to the Vice President of Student Affairs through email to appeals@utdallas.edu and provide an additional copy to the Dean at OCSC@utdallas.edu. The document should state the specific reasons for the appeal. The appeal must be received by the Vice President for Student Affairs no later than seven (7) days after the appealing party has received notice of the sanction(s) assessed by the Dean, the decision of the Hearing Panel, or the decision of the Hearing Officer. If the notice of sanction assessed by the Dean or the decision of the Hearing Panel or Hearing Officer is sent by email, the decision will be considered to have been received on the second day after sending. The date of receipt will initiate the seven day appeal period. The non-appealing party and in sexual misconduct cases, the alleged victim, may submit a response to the appeal, which must be received by the Vice President's Office no later than five (5) days after the receipt of the appeal with a copy to the respondent.

   2. The appeal will be reviewed solely on the basis of the official record from the hearing. The official record will consist of the recording of the hearing, the documents received in evidence, and the decision of the Hearing Panel or Hearing Officer.

   3. Should the Vice President for Student Affairs so request, the Dean shall cause the recording of the hearing to be transcribed and shall send the record to the Vice President. At the discretion of the Vice President, both parties may present oral arguments in an appeal from the decision of the Hearing Panel or Hearing Officer.

3. Upon consideration of the appeal, the Vice President for Student Affairs may:

   1. approve, reject, or modify the decision;
   2. modify the sanction to make it more or less severe;
   3. in the event of a formal hearing, require that the original hearing be reopened for the presentation of additional evidence and reconsideration of the decision.

4. The action of the Vice President for Student Affairs shall be communicated in writing through email to the student(s) and the Dean within fourteen (14) days after the appeal and related documents have been received. The decision of the Vice President is final.
